Dear Parents / Guardians

Greetings from Hong Kah Secondary School!

1. **Successful completion of Level Camps 2016 – Enrichment activities for all levels, 11 Jan to 13 Jan 2016**

As part of the school's efforts to provide a holistic education for students, a series of enrichment activities ranging from stay-in camp to out-of-school learning experiences were arranged for Hong Kah Lites in all levels. We are pleased to share that the school has received positive feedback from partners and parents of our students' enthusiastic participation in activities and demonstration of leadership abilities at the camps.

We wish to thank all parents/guardians for their support and participation at the various activities.

3. **Sec 2 Subject Allocation Talk & Sec 4/5 Talk for Parents**

The above talks will be held on **Saturday 5 Mar 2016** for all Sec 2 and Sec 4/5 parents. Students are to attend the sessions with their parents. More details will be provided at a later date.

For the Sec 2 talk, information on Sec 3 subjects will be shared so that students could have more time to think through their subject choices for the following year.

For the Sec 4/5 students, the focus will be on the various post-secondary educational pathways available.

For both sessions, Form Teachers and Subject Teachers will be present. This will be a good opportunity for parents to engage the teachers in conversation to gather feedback on their children's progress.

We look forward to meeting you on that day.

Wishing all a year of good health and blessings!

Warmest Regards
